About Us

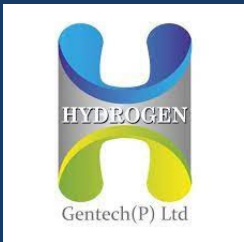

Almadina Electricals was established in 2017 by well experience Electrical Engineers, to cater the Installation , supply, testing & commissioning needs in electrical segment.

Our company have varied experience in Engineering, Installation, testing and Commissioning of substation equipments as well as troubleshooting, Repair and Servicing of electrical equipments. we have undertaken several challenging jobs and executed them to the entire utmost satisfaction of our valued customers. Having an in-house strength of technical manpower, which can get the jobs done independently in the field of generators, transformers & switchgear, protection etc. We firmly believe in single window concept.

Our Clients

We have executed lots of projects in India as well as abroad and having in-hand experience with clients of various fields. some are :

مسعود بن بخيت المقبالي للتجارة والمقاولات ش.م.م.
MASOOD BIN BAKHIT AL MUQBALI TRAD. & CONT. L.L.C
An ISO 9001 : 2015, ISO 14001 : 2015 & OHSAS 18001 : 2007 Company (www.mbmcc.com)

Our Specialization

- **Turnkey Projects for Electrical works**

Right from estimation, engineering, procurement, supply, installation, testing & commissioning, of electrical equipment. for all kinds of plants. We believe in dedicated attention to customer needs and nothing illustrates this better than its turnkey Projects in establishing Chemical, Petro-Chemical and Synthetic Fibre Plants.

- **Substation Equipment, Supply, Installation, Testing & Commissioning**

We do complete Supply, Installation, testing & commissioning of Electrical Substation equipment like transformers, panels, UPS, battery chargers, grounding systems etc.

- **Metallic And Non Metallic Piping, Rubber Lining, Brick Lining**

We provide solutions for Fabrication of metallic and non metallic piping, rubber lining, brick lining for various chemical, petro chemical, fertilisers and synthetic fibre plants.

- **Illumination Of The Plant**

We provide complete solutions starting from engineering, supply, testing and commissioning of plant illumination system which includes main lighting distribution boards, sub lighting distribution boards, lighting transformers, lighting poles, structure mounted lighting fixtures, decorative lights, DC operated emergency lights etc.

- **Bus Bar Works**

We provide complete solution towards Site fabrication, installation, testing of AC/DC Bus bars made up of Aluminum/ Copper.

- **Instrumentation**

We also provide complete solutions for tubing, junction box and instrument (like pressure transmitter, Temperature transmitter, flowmeter, Gauges, switches etc.) installation.

- **Man Power Solutions**

We have skilled man power specialized for DC bus bar fabrication work, plastic piping, rubber lining, brick lining, electrical equipment installation & testing which will be made available based on quantum of job or per man-day basis.

Our Projects

- **HYDROGEN GENTECH PVT LTD**

Installation, Testing and Commissioning of Electrical Equipment like Power transformer, distribution transformer, Cabling, Cable tray , lighting, & Panels (HT & LT) and DC Busbar installation.

- **INDIAN PEROXIDE LTD**

Installation, Testing and Commissioning of Electrical Equipment like DC battery charger, Power transformer, distribution transformer, Cabling, Cable tray , lighting, & Panels (HT & LT) and DC Busbar installation.

- **NAC, ALGERIA**

Installation, Fabrication, Testing & Commissioning of DC Bus Bar, DC Isolator & Breaker and Harmonic Filter (NAC, ALGERIA)

- **Egyptian Petro-Chemical In ALEXANDRIA, EGYPT**

Installation, Testing & Commissioning of DC Bus Bar, DC Isolator, Breaker, Harmonic Filter, Rectifier, Transformer, rectifier Cooling System & automation UPS.

- **ONGC SITE AT KARAIKAL, TAMIL NADU**

Installation, Testing and Commissioning of Electrical Equipment like cabling, lighting, DG Transformer & Panels (HT & LT).

- **S.V.ERECTOR PVT LTD, AT KANGRA SITE**

Installation, Testing and Commissioning of Electrical Equipment like cabling, lighting, DG, Transformer & Panels (HT & LT).

- **STENUNGSUND, SWEDEN**

Installation, Testing & Commissioning of DC Bus Bar, DC Isolator & Breaker and Harmonic Filter.

- **SCE, Morocco**

Installation, Testing & Commissioning of DC Bus Bar and Harmonic Filter.

- **Oman Chlorine CACL2 Plant (Oman)**

Plastic Piping, Brick Lining & Rubber Lining Work in Oman Chlorine Calcium chloride Plant .
